W-02597A-06-0308

### FOURTH LETTER OF DEFICIENCY

Dear Mr. Grapp:

In reference to your rate application received on May 2, 2006, this letter is to inform you that your application has not met the sufficiency requirements as outlined in Arizona Administrative Code R14-2-103.

Staff previously found that your application was deficient on June 1, 2006, July 19, 2006, and November 14, 2006. The Company submitted information in response to those letters. The information submitted did not sufficiently or completely address some of the deficiencies. The continued deficiency is listed on a separate attachment. The 30-day sufficiency determination period will begin anew when the Company corrects the deficiency and Docket Control receives an original and sixteen copies of the corrected pages.

You have 15 calendar days, or until January 12, 2007, to correct the deficiency or make other arrangements with Staff to remedy your rate application.

The Staff person assigned to your application is Darak R. Eaddy. He can be reached at (602) 542-0855, or toll free at (800) 222-7000, if you have any questions or concerns.

Sincerely,
